was made aware of this officer misconduct
 & actions as a New Castle County Police Officer
 the New Castle County Police Department
 Internal Affairs, the Chief, the County
 Executive Chris Coons, also Mr. Joe P. Street,
 the Attorney General at the Justice Department
 in Washington D.C.. I'm always having Bad
 dreams about this officer misconduct I can
 never play with my Nephews & Niece cause my
 Back is always hurting & I Be having Bad head
 aches that makes Me dizzy that I got to sit
 down, I can't Bend over or walk long distance
 cause my Back & Right leg will hurt. My life will
 never Be the same Because of Officer Norris #
 2463.2 actions of a violent police officer using
 wrongful or excessive Force to Me and his use
 of Force was unnecessary cause I surrendered
 myself to the officer By putting my hands in
 the air & placing them on a parked car and
 telling the officer that my legs was hurting
 twice also under Delaware Code, the use of Force
 is Justifiable if all other Reasonable means of
 apprehension have Been exhausted, and all
 Reasonable means wasn't exhausted in my case
 his means was Reckless & dangerous & could of
 Killed Me if I wasn't in the Right Health. This officer
 knew that I Needed Medical treatment, But Officer
 Norris #2463.2 threaten my life to Refuse when Blood was

(3)

Dripping From My Back Injury and OFFICER NORRIS #2463.2 SUPERVISOR DOMENICK GREGORY should have known of my need of medical treatment but instead he let this OFFICER threaten me for deprivation of medical care under his supervision, and the supervisory personnel owed me "Emanuel.H.Jones" a duty to properly supervise me as a individual under their authority and failed to do so for my injuries, without a showing of direct responsibility for the improper action of the OFFICER & the supervisor, OFFICER NORRIS #2463.2 & Supervisor DOMENICK GREGORY represent a policy for which the New Castle County Police Department is responsible, it may seem contrary to common sense to assert that a municipality will actually have a policy of not taking reasonable steps to train its employees. that may result in the violation of my constitutional rights. also in this instance that claim relates to the OFFICER'S failure to recognize and correct the effects of my Taser injury and the New Castle County Police Department should have trained its OFFICERS to recognize the medical treatment I needed and not allowing this OFFICER to threaten my life to refuse medical treatment.

Sincerely yours
